players can take two games from clarke's hustling crew and Davis's players annex three of the games here. New York will move up to the front again, or if Boston wins one game at Pittsburg and the Giants take, all four here they will be at the top of the column once more. The chance is a slim one, but stranger things have happened in baseball.

Close Pennant Race.

The pennant chase this season is the closest in years. Only \$5 points in the percentage table separate the first and sixth clubs on the list. Four or five reverses in a row would teboggan the ideaders back into second division. Each of the first six clubs is within easy. of the first six clubs is within easy striking distance of the top of the ladder.

striking distance of the top of the ladder.

First liming.

New York went to bat. Van Haltren rapped a clean single to left field. Selbach lifted a short fly that fell safe in Hartsell's meadow. Davis tried to each rifee and bunted a pop fly to Dexter. Kling threw to second in an attempt to catch Van napping. McCormick muffed the bail and Van and Selbach each mivel up one sack. Hickman cracked a two-bagger down the right field foul line, scoring two runs. Ganzel was returned by Dexter unassisted. Strang was given a free pass. He started to steal, and Made the plate on a close decision. Davis and Ganzel retired Dexter. Two runs.
